

GLP ARTE

Calendar of Events

19/7, 21/9 15:00 90 minutes per session	Light Clay Fridge Magnet Workshop Deconstruct reality with your hands, and GLP Arte takes you into world of Cubism! Use ultra-light clay to play with geometric shapes - distorted profiles, misplaced facial features, bold color blocks, and create works of art full of tension. Finally, add magnetic stickers to turn the refrigerator into your own private art gallery. Fee: MOP150 (including all material fee)
26/7, 23/8 15:00 90 minutes per session	Fun Collage Table Lamp Workshop Let art light up your life! Learn from the classic deconstruction aesthetics, transform the glass lampshade into a geometric canvas, from fragmented composition to those iconic distorted facial silhouettes, reorganize light and shadow step by step, and inject modern art into the space. Fee: MOP250 (including all material fee)
9/8 15:00 90 minutes per session	Creative Pen Holder Workshop Let inspiration bloom in 3D! This hand-sculpted clay pen holder bursts with a playful collage of colors and geometric patterns, making it a fun and stylish addition to your desk. Fee: MOP150 (including all material fee)
13/9 15:00 90 minutes per session	Abstract Mirror Workshop Turn your plain mirror into a stunning work of art! Decorate the frame with vibrant geometric blocks, infusing your everyday life with abstract art and adding a unique touch to your space! Fee: MOP250 (including all material fee)
