The SHOP on Ground Floor

La Scala del Palazzo promises to delight with Versace elegance and Italian culinary excellence. Evoking the grand staircase of the Versace Palazzo at Via Gesù in Milan, La Scala del Palazzo's interior mood, green and pink tones, and decoration take inspiration from the Vogue Italy portrait in 1994.

In addition to providing ultimate Italian coffee culture with a contemporary twist, La Scala del Palazzo offers an exclusive Italian culinary experience that celebrates the rich and luscious flavors of Italy. From classic Italian pastries and a spectacular Palazzo Versace afternoon tea, this menu also offers an extensive selection of classic wines and premium spirits, as well as barista-crafted coffee specialties and cocktails.

In this oasis of fashion and culture, diners can indulge in the restaurant's delicacies that combine bright colors, bold textures and distinct, extraordinary Italian flavors - the quintessential Versace experience.
