DON ALFONSO 1890

Welcome to Don Alfonso 1890 at Palazzo Versace Macau
Our philosophy of Italian cuisine is deeply rooted in family traditions
and the rich culinary heritage of Sorrento, Italy.

Inspired by Chef Alfonso Iaccarino, we pay homage to the cultures, values and traditions
of south of Italy to create a multi-sensory dining experience,
while also practicing and advocating sustainability.

Out of a profound respect for this philosophy, we select the freshest seafood
and the most premium meats carefully sourced from suppliers who provide the best quality
products available, including ingredients from the Don Alfonso organic farm
– Le Peracciole – in Italy.
